Department of Community Medicine

World Breast Feeding Week

Ariyur PHC (3rd August)

Report

Under the guidance of Dr. J. Barathalakshmi, Professor and Head, Department of Community Medicine, SVMCH&RC, in collaboration with Indrani College of Nursing and Vallavanur RHTC, World Breast Feeding Week was celebrated for the general public in on 3rd August 2023.

Activity

Venue: Ariyur PHC

Date: 03/08/2023

Time: 10.00 a.m. – 1.00 p.m.

Total number of participants: 30

Breastfeeding is the best way of providing young infants with the nutrients they need for healthy growth and development. WHO recommends exclusive breastfeeding for the first 6 months of life, followed by continued breastfeeding with appropriate complementary foods for up to 2 years and beyond. WHO also recommends early and uninterrupted skin-to skin contact, rooming-in and kangaroo mother care which significantly improve neonatal survival and reduce morbidity. World Breastfeeding Week is celebrated from 1 to 7 August every year. The week aims to spread awareness about the importance of breastfeeding among women. World Breastfeeding Week is a global campaign, which aims to galvanize actions on themes surrounding breastfeeding.

The event was organized by Dr. N. Bhuvaneswari and Dr. S. Madhumadhi, Assistant Professors, Department of Community Medicine. The session started around 10.00 AM. Post graduate Dr. Buvaneshwari hosted the event. Dr. Abhinaya, Medical Officer, Vallavanur RHTC welcomed the gathering and gave an introduction on World Breast Feeding Week. Following that, health talk was given by the Dr. E. Aarthi, 1st year Post Graduate student using Posters on the following topics- Exclusive Breast Feeding and it's importance, Health benefits to mother and child and Foods that increase breast milk. Then Skit and Puppet show stressing on the theme of World Breast Feeding Week were done by Interns and Nursing students, respectively. Quiz was conducted for the audience by Post graduate Dr. N. Mithun Kumar. Refreshments and gifts were given to all the participants. The programme ended with conclusion and vote of thanks by Dr. J. Barathalakshmi.

"INTERNATIONAL WOMEN'S DAY"

THEME: *"DigitALL: Innovation and technology for gender equality"*

(08.03.2023)

International Women's Day (IWD) is celebrated globally every year on 8th March as a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women. It is a day when women are recognized for their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. This year the International Women's Day is celebrated with the theme *"DigitALL: Innovation and technology for gender equality"* which focus on bringing women into technology results in more creative solutions and has greater potential for innovations that meet women's needs and promote gender equality.

To commemorate this day the guidance of Dr. D.R. Vedapriya, Professor and Head, Department of Community Medicine, SVMCH organized a program on 8th March 2023. Programmes were conducted by II Year MBBS students for Faculties at Department Demo Hall from 1.00 PM to 2.00 PM.

II MBBS class representative welcomed the gathering following which a brief introduction on importance of Women's day was given by Dr. D. R. Vedapriya insisting on the impact of the digital gender gap on widening economic and social inequalities, and its importance in protecting the rights of women and girls in digital spaces. Dr. Latha, Professor, Department of Physiology attended and graced the program.
