

### **Career guidance cell / Placement cell – Report (2016-20)**

The Sri Venkateshwaraa Medical College Hospital and Research Centre has a mechanism in place where the institute ensures that the student is benefitted academically and placed in a reputed institution after completing MBBS. Career guidance cell / placement cell sensitize the students about the scope of employment and Post-graduation. The support and guidance starts from the first year onwards and continuously encourages in participating in CME's, Workshop, short term projects, quiz etc. This makes them independent and autonomously decides on the future. The career guidance cell / placement cell brings both external & internal eminent speakers through medical education unit for guiding them.

This year eight programs were planned and sensitized by the career guidance / placement cell
