Extra-Curricular Activities:

Our students participated in the Inter Medical Sports Meet in various Medical Institutions in Puducherry and Tamilnadu and they have won various prizes.

Because of the untired efforts and constant encouragements given by our dedicated student friendly faculty, our students brought many laurels to our Institution both in academic and in extracurricular activities.

Being young doctors in noble profession you have to

- Acquire adequate knowledge continuously with technical, soft skills and communication skills.

I wish you all to have successful academic career with bright and prosperous future.
