SHRI. B. RAMACHANDIRAN

CHAIRMAN, SVGI

MESSAGE

FROM THE HONOURABLE CHAIRMAN

The Internal Quality Assurance Cell (IQAC) of Sri Venkateshwaraa Medical College Hospital and Research Centre has been formed with the vision to channelize the efforts and measures of the Institution towards academic excellence and progress. As a part of its mandate of developing an all-encompassing quality culture in the College, the IQAC plays a greater role in congregating the institutional effort for quality. We hope your feedback and suggestions will help IQAC develop further in its endeavour of creation, sustenance and enhancement of quality in the College.

DR. B. VIDHYA
CHIEF OPERATING OFFICER, SVGI

MESSAGE

FROM THE CHIEF OPERATING OFFICER

Institutional Quality Assurance Cell (IQAC) of SVMCH &RC has been established with the goal of ensuring quality education for the students of our Institution that will bring positive change in their lives in terms of knowledge, skill and attitude. IQAC is moving towards its goal with the support from the management, teachers, students, officials, alumni and the society at large. Our IQAC cell dynamically ensures attainment of the targets as well as raising quality parameters as an ongoing process at our Institution.

DR.S. RATNASAMY

DIRECTOR, SVMCH&RC

MESSAGE

FROM THE HONOURABLE DIRECTOR

Our Institution has a vision of integrating innovative ways of teaching and learning, extra-curricular activities, research and student development in its pursuit of nation building. Benchmarking the quality parameters in teaching and research, and striving to improve on them is an ongoing practice at our Institution, and now our Internal Quality Assurance (IQAC) Cell has institutionalized these practices. As an Institution, we are committed to create an enabling environment for sustained learning, which has been supported with an outstanding infrastructure and a robust system of continuous evaluation.

DR. R. LATHA

IQAC COORDINATOR, SVMCH&RC

MESSAGE

FROM THE IQAC COORDINATOR

Sri Venkateshwaraa Medical College Hospital and Research Centre established Internal Quality Assurance Cell (IQAC) on 15th October, 2020. The Cell has been functioning actively for improving our Academic and Administrative activities. It is an internal quality assurance mechanism of the institution which works towards realization of the goals of quality enhancement and sustenance.

IQAC is a significant administrative body that is responsible for all quality matters, to initiate, plan and supervise various activities and develop a system for conscious, consistent and catalytic improvement in the overall performance of our Institution.

The Internal Quality Assurance Cell would further promote the central vision of the College in its path to becoming a 'College of Global Choice'. We welcome you to join us and build mutually beneficial ties for growth and development.

VISION AND MISSION OF IQAC

VISION

To improve the academic and administrative performance of the Institution and to promote quality enhancement through internalization of quality culture and institutionalization of best practices.

MISSION

- ✓ To build and nurture a quality culture in the Institution.
- ✓ To become a driving force through intervention strategies to remove the deficiencies and enhance quality.
