CHAIRMAN MESSAGE

Shri. B. Ramachandiran., M.Com
Chairman

I have great pleasure in welcoming the students to Sri Venkateshwaraa Medical College Hospital & Research Centre (SVMCH & RC) which has reached yet another milestone in its journey of over almost two decades, to live up to its motto of providing quality health care professionals focusing the health care services to the rural masses.

With well qualified and dedicated medical professionals, paramedical staff and managerial support, the medical college is committed to prepare the young medical professionals to create the modern rural & urban India free from the morbidity of infective disease burden with respect to all disciplines. We maintain high standards in medical education by providing dedicated talented faculty members with latest technologies in teaching-learning activities for both undergraduate & postgraduate students.

Our mission is to provide continuous in-house training for health care professionals for enhancing their clinical competence and improving the standards of health care. Customized treatment protocols for patients with due consideration for their economical, socio-psychological, cultural and spiritual requirements in addition to management of the disease is assured. An effective critical care service is rendered for patients in emergency and intensive care areas. The faculties are motivated to publish articles in journals with high impact factor, Pub Med/Scopus indexed journals.

Our vision is to provide patient-centered, time-bound, ethical, accessible and advanced healthcare at an affordable cost to meet the health care needs of our community. With the support of the various stakeholders, **Conferment of Autonomous Status by UGC from the academic year 2026-27 is a milestone to grow into a Deemed to be University in the near future.**

I hope the aspiring students who want to become well qualified medical professionals will make the best choice of selecting our Institution for both UG & PG courses..

I invite you to join enthralling journey into a bright future and my best wishes to all the budding medical professionals of our institution.

MANAGING DIRECTOR MESSAGE

Shri. A. R. Rajiv Krishna, MBA.,
Managing Director

Beginning the journey of Medical Education at Sri Venkateshwaraa Medical College Hospital and Research Centre, a pioneer institution, that had created a niche for itself in imparting Undergraduate and Postgraduate medical courses for about two decades provides a unique opportunity to build a career based on competency and professionalism.

The institution is committed to develop in students strong set of values to function with good ethics, compassion and empathy. All round development of the individual with social responsibility through community based activities for connecting with people and patients are encouraged as part of learning methods in the field of medical education.

Knowledge, attitude and skills are blended in career building towards improved knowledge based and technology driven education to meet the challenges of improved patient care coupled with information technology and communication by adopting innovative teaching methodologies.

Qualified and well trained faculty with caring and sharing attitude guide students to utilize the unique opportunity to transform themselves into a confident, capable competent health care professional ready to meet the demands and challenges of modern health care management. The college is fully equipped with sports and games facilities for both physical and mental growth towards holistic development of students.

I warmly and whole heartedly welcome the prospective students with the assurance that their future is in safe hands in our institution and their stay during the period of study would be a memorable experience.

DIRECTOR MESSAGE

Dr. S. Ratnasamy, B.Sc., M.S.,
Director

Sri Venkateshwaraa Medical College Hospital and Research Centre, Puducherry was established in the year 2005 under the umbrella of Ramachandra Educational Trust, Chennai. First MBBS batch was admitted in 2007 after obtaining MCI recognition. Our Institution has 28 departments including various super specialty departments with MD, MS – PG courses functioning in a full-fledged manner.

Each department is provided with adequate infrastructure, state of the art equipments and other facilities. In our Institution, we have talented, dedicated faculty members with vast subject knowledge and soft skills recruited across the country, along with the adequate supporting non-teaching staff. Our Hospital is equipped with 1200 beds and we have the surplus number of Outpatient & Inpatients in order to meet the requirements of the MCI norms. Regular camps are conducted and free treatment is given to the deserving patients.

Our Hospital is providing health care services in and around Puducherry through its specialty and super specialty departments. We are maintaining NABH standard in health care services with more success rate even on challenging cases on par with other reputed institution.

Our library is equipped with enormous number of text books for Postgraduate & Undergraduate courses, Journals and e-learning facilities. We provide internet facilities to the faculty, Postgraduate & Undergraduate students. We have good ambience with lush green garden which provide a good environment. Premium Hostel A/C and non A/C rooms are available with delicious food.

Our students are provided with adequate knowledge and skills to become competent health care professionals to serve the community and suitable platform is also provided to exhibit their talents in both curricular and extracurricular as well as other outreach activities in both inter and intra collegiate cultural and sports activities. I am pretty sure that if you become the member of SVMCH family, then your dream of becoming competent health care professional will be certainly fulfilled.

ABOUT THE COLLEGE

SRI VENKATESHWARAA MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE, Ariyur, Puducherry was established in 2005 by the Ramachandra Educational Trust to provide the healthcare support to the people of the rural villages. The hospital was established in 11.37 Acres of land with 47925.25 sq.m building consisting of all the required infrastructure facilities for the multi-specialty hospital. The present intake in MBBS course is 250 seats.

The University Grants Commission (UGC) has approved Conferment of Autonomous Status from the academic year 2026-27 upon Sri Venkateshwaraa Medical College Hospital and Research Centre vide its letter No. F.2-10/2023 (AC-Policy) dated 11th August 2026 addressed to Pondicherry University to which the college is affiliated.

VISION

Aims to become a pioneer Institute of higher learning in medical education, thus providing quality health care services with global standards

MISSION

Strives to enable students to have a solid background in core competencies and a sound background in technological advances that will help them deal with the latest in the field of health care & research. Promotion of research among students & faculty is also encouraged to help develop progress in nationally relevant areas of interest.

The institution works to help students develop a strong set of values that will enable them to function with good ethics, compassion, and empathy. The institution also encourages extra and co-curricular activities for the all – around development of the individual and promotes social responsibility among faculty & students through community – based activities.

ADMISSION POLICY/ RULES AND REGULATIONS

1. Candidates allotted seats should bring the Provisional Allotment order issued by CENTAC and meet the Nodal Officer.
2. Application would be issued to candidates only after payment of other fees prescribed by the college.
3. Fill in the application details and deposit the original documents mentioned in the Prospectus along with two sets of xerox copies of all the certificates and latest passport size colour photograph (3 nos).
4. Tuition fees, hostel fees, bus fees, other fees, etc., shall be paid at the beginning of each academic year on or before the prescribed date. Even if the student fails to clear either the First, Second, Final Part-I/ Final Part-II examination, fees has to be paid at the beginning of every academic year. If the period of study extends beyond the prescribed duration, tuition fees/ examination fees have to be paid as determined by the management.
5. Fee payment circular notice would be posted only in the Whatsapp Group of the concerned Batch. No separate intimation by Post/ mail or otherwise would be sent. Responsibility to pay the fees lies with the Parent/ Student.
6. No Due Form to appear in Model/ Summative examination would be issued only if all the dues are cleared.
7. Delay in payment of fees would attract penalty/ late fee charges.
8. The Management, in case of non-payment of tuition fees, reserves the right to remove the name from the rolls of the college. The student on payment of fees would be readmitted to the year in which studying and the break in studies would not be considered for attendance purpose.
9. In case of discontinuation of the course, tuition fee has to be paid for the remaining academic years of the course duration.
10. The student should earn 75% attendance in Theory, 80% attendance in Practical/ Clinical and 50% marks in Internal Assessment tests to be eligible to appear in the summative examination.
11. Bus facility should be availed and travel by motorcycle/ Scooter/ own car is not permitted.
12. Wearing of the prescribed Uniform, white coat and ID card are compulsory.
13. Use of Mobile Phone inside the Lecture hall, library and examination hall is strictly prohibited. The management reserves the right to take appropriate action deemed fit to enforce the discipline.

14. Avoiding classes/ Clinical postings/ Practicals amounts to indiscipline. Leave should be availed only with proper permission and intimation to the Management.
15. Vacating hostel in between the academic year is not permitted. Approval of the management is required to vacate the hostel and stay outside the campus. The management reserves the right to decline the request.
16. Possession/ use/ facilitating narcotic substances inside the college campus, hostel, canteen, etc., are strictly prohibited. Student violating the discipline would be dismissed from the college.
17. Posting reels/ videos in Social media platforms damaging the reputation of the college/ hostel/ hospital, etc., is an act of indiscipline.
18. Ragging in any form is prohibited in the college campus. The college enforces zero-tolerance policy towards ragging which is a criminal offence. Strict adherence to UGC and NMC/ MCI anti-ragging regulations is mandatory, with penalties for violators.
19. In case NMC or any other regulatory authority on verification finds any certificate submitted to be false and the course cannot be pursued, the fee for the entire course shall be paid.
20. Students would be governed by NMC/ UGC Regulations and disciplinary rules of the College, hostel and other statutory acts/ rules prescribed by any Regulatory Authority from time to time.
21. At the time of admission, the candidate and parent should sign declaration/ undertaking that they shall abide by the rules and regulations of the Regulatory Authority including anti- ragging regulations of NMC, UGC and observe good conduct and behavior, rules on payment of fees and other rules that may be notified by the college from time to time.
